---

For Immediate Release: August 14, 2008

Foothill Ranch, CA - Green Tee Apparel will be providing merchandisers, golf professionals, specialty retailers, lady golfers, and media contacts with a look into the company's Fall/Resort Collection and a preview into the 2009 Spring/Summer Lines. The Spring/Summer Collection boasts two style groupings – **Nouveau Couture and Chic Individualist** – to include designs fit for all aspects of women's active lifestyle. Green Tee Apparel has been recognized within the industry as one of the new and upcoming apparel companies that designs for women by women. They will be showcasing the new collections at the PGA Fall Expo in Las Vegas at the Mandalay Bay Resort & Casino on August 25-28 at booth #434.

The Fall/Resort Collection follows the successful introduction into the marketplace with "The Originals" Collection that was released at the Orlando PGA Merchandise Show in January. Since the release of "The Originals", Green Tee Apparel has been recognized by *Southland Golf Magazine* as a hot new summer fashion for Southern California golfers, *The Golf Wire* as one of the top newcomers at the January Show, and most recently with a top-10 Performance Apparel Rating by *Golf Fitness Magazine* for their on-course performance.

Green Tee Apparel's designs are for the young at heart golfers who have a love for the game and want to reflect it in their image. This new line continues to fit the 18 hole dress code, but works right into the 19th whole lifestyle. The styles are breathable, durable, fast-drying, wrinkle-proof, and anti-microbial to provide ultimate performance and comfort on and off the course.

Green Tee Apparel invites show attendees to visit Booth #434 to be the first to experience the Fall/Resort Collection and new 2009 Spring/Summer Lines.
